At Little Apple Pilates Co., we are committed to providing an inclusive and welcoming environment for all individuals, regardless of ability. We firmly believe that everyone, regardless of their background or physical capabilities, deserves the opportunity to care for their mind and body. We strive to ensure that our studio is accessible to every person and every body. We recognize the diverse needs of our community and are dedicated to accommodating those needs to the best of our ability. Every individual deserves to feel heard, understood, respected, and valued.

Accessibility on littleapplepilates.com

At littleapplepilates.com, we are committed to providing a website that is accessible to the widest possible audience, regardless of circumstance and ability. We aim to adhere as closely as possible to the Web Content Accessibility Guidelines (WCAG 2.0, Level AA), published by the World Wide Web Consortium (W3C). These guidelines explain how to make Web content more accessible for people with disabilities. Conformance with these guidelines will help make the web more user friendly to everyone. Whilst littleapplepilates.com strives to adhere to the guidelines and standards for accessibility, it is not always possible to do so in all areas of the website and we are currently working to achieve this. Be aware that due to the dynamic nature of the website, minor issues may occasionally occur as it is updated regularly. We are continually seeking out solutions that will bring all areas of the site up to the same level of overall web accessibility.
